

MAP
of
PUAIKO
SOUTH KOHALA HAWAII.

Surveyed for the Commissioners of Public Lands.

by
Chas VEDOVÉ Surveyor.

Scale 200 Ft = 1 Inch

HONOLULU April 1900.

Note.
Total acreage of Alluvial Flat 380 acres.
Area of comparatively flat Foot Hills above
KUIELUA, KUIKI and PELALUA 100 acres.
There is also in addition to the above a large
amount of good soil in scattered patches
among the Lava

Note. The original of this Map was made
from Jno. Hanks, the copy being furnished
to the Government, having admission of the
boundaries & the laying out of lots and lots.
The azimuth is from a line from
Puako Δ to Kaimihue Light-house as it
was at date Feb 1899.
L.H. has been received.
Charles J. Byrne, Asst.
Surveyor, May 29, 1900.

This block did not pay fees and
application was withdrawn
no patent issued.
